

Kawau Island 2008

Men's NA Campout:

This is a weekend where you get to hang with the boys, get to know new people and strengthen existing ties. There will be a program that includes meetings, guest speakers, films, sport & of course fishing! The aim of this weekend is to have some FUN in recovery, take some time out from day to day life and spend some time with the men in the fellowship. The venue is well set up the location is stunning and all meals are included in the price. Newcomers are MOST welcome as are children. We look forward to your support – see you there!

Last year the location was incredible, the weather was awesome, the venue brilliant, the food was fantastic, the fishing rocked and the meetings & speaker were inspirational. The whole weekend was given a huge thumbs up from everyone who attended.

This year it's more of the same:

Meetings (2 per day)
Guest Speaker (T.B.A.)
Fishing (Wharf – Rocks and Boats)
Cricket
Touch rugby
Kayaking
Sailing
Swimming
Film Night
